**Issuer Sponsored Holdings** are maintained by the Share Registry on behalf of the Issuer of your shares.

To convert your Issuer Holding we need to know the ASX Code and the number of units you would like us to convert.

**Securityholder Reference Number (SRN)** is a unique number that identifies you as an Issuer Sponsored holder with a listed company. A SRN usually starts with the letter 'I' e.g. I00012345678.

If you hold shares in more than one company and choose to be Issuer Sponsored, you will have a different SRN for each shareholding.
